

July Radio Spot – Penny

Announcer: MERIL has been providing Smiles for more than 20 years. Listen to this smile for a mile moment from MERIL made possible through MERIL's Consumer Directed Services.

Penny had a heart condition and following surgery moved in with her daughter, but she missed her own home and wanted her independence. Penny, what was it that MERIL did for you?

Penny: MERIL helped me get on my own and I've been on my own since. It's been working out a lot better.

Announcer: How did MERIL help?

Penny: MERIL provides a care taker that comes in & helps in the house and out of the house. Everything that I would do that I can't do, so that's what helps a lot... I can't drive no more so they take me where I got to go.

Announcer: What does it mean to have MERIL assisting you?

Penny: It means that I can stay home; it means I can have my independence.
