

November 2014 – Shelly, In-Home Services, Got It All On Track

Announcer: This year MERIL celebrates 20 years of providing smiles. Listen to this smile for a mile moment from MERIL. Shelly, a brittle diabetic, was having huge fluctuations in her blood sugar and extended hospital stays due to diabetic comas. Shelly needed help. Trying to manage it on her own, just wasn't working. Her friend encouraged her to contact MERIL. Shelly qualified for In-Home nursing services provided through MERIL. How has MERIL In-Home Services changed your life and what would you tell other people about MERIL?

Shelly: Before she was in my life I was in diabetic comas all the time. I didn't know how to do my medicine, so she came in and she basically did all my medicines and got it all on track.

I am very happy with MERIL services. I really think that you should call them.
