

BJ: HERE'S ANOTHER SMILE FOR A MILE MOMENT FROM MERIL.

St. Joe Mother of 5, Connie DeLong....Had Life Changing strokes about 2 years ago. Now she needs assistance doing some things she used to do on her own...like not driving a car anymore. Her family was there for her...but so was MERIL.

Connie: They have nothing but angels working for them and I mean angels. MERIL could help me because I was getting where I couldn't do any housework. I had to be helped in the bathtub and everything.

BJ: and if you couldn't live independently

Connie: My daughter would never let me go to a nursing home...but she would probably have to take me in her house.

BJ: Any Final Words of Advice?

Connie: MERIL is a miracle because I love them people they are just angels all the way and if you need help be sure and call them!

BJ: Wanna feel good.....maybe you know of a friend, relative or neighbor that could use the services of Midland Empire Resources for Independent Living. MERIL.....call 1-800-MERIL, the number 4 and the letter U, Let's make Northwest Missouri Barrier Free!
