

Here's another smile for a mile moment from MERIL.

Martina, better known as Tina, is such an inspiration to all. Diabetes related infection spread throughout her body several years ago and periodically she deals with setbacks. For eight years she has lived independently with the assistance of MERIL.

BJ: Tina, why is MERIL so great?

Tina: They do things for me that I can't do. When I had surgery they helped me get my bandages.

BJ: And how have they helped you live independently?

Tina: I'm glad that MERIL is here because at least I get to be home. Otherwise I would probably be in a nursing home, so I'd rather be here.

BJ: And what would you tell people who are thinking of using the services of MERIL?

Tina: The best choice they ever made is to be with MERIL. They would be a winner. That's how much I love MERIL!

Announcer: Wanna feel good? Maybe you know of a friend, relative or neighbor that could use the services of Midland Empire Resources for INDEPENDENT Living....MERIL. Call 1-800 MERIL, the number 4 and the letter U. Let's make Northwest Missouri Barrier Free!!!
