

Announcer: This year MERIL celebrates 20 years of providing smiles. Listen to this smile for a mile moment from MERIL services and the services available through their newly acquired Angels Home Health

Brenda had a number of health issues and in 2013 had a stroke that paralyzed her entire left side. She spent 3 months in the hospital and was looking at more months of long-term rehabilitation care.

Announcer: Brenda what is your experience with MERIL and Angels Home Health?

Brenda:

If it wouldn't have been for MERIL I really would have been in a mess

Announcer: How has Angels Home Health helped you?

Brenda: They come here, I can depend on them. I get nurses that come & take care of me & check me out. The therapy, like I say, is a great deal, they come here to the house

Announcer: And how did MERIL and Angels Home Health change your life?

Brenda: I have hope now, before I didn't have any hope – I just gave up! Now I can walk.
