

Announcer: This year MERIL celebrates 20 years of providing smiles. Listen to this smile for a mile moment from MERIL services and the services available through their newly acquired Angels Home Health.

Juanita has utilized MERIL services for a number of years. With many health issues she was in the hospital recently and was bed fast. After a short stay in a rehabilitation facility, she was ready to go home, but needed home health care, physical therapy and other services to help her. MERIL and Angels Home Health helped Juanita get back home.

Announcer: Juanita how has MERIL and Angels Home Health helped you?

Juanita: Made my life where I feel like I've got control again. Yeah, where before nothing was going right, you know, they've got me back where I'm going on a pretty good level now. I feel much better.

I feel like I have something to look forward to each day.
