MERIL provides many services and resources to help people live independently. We're talking to Dawn who works for a participant in MERIL's Consumer Directed Services program.

Dawn how has you being there changed your client's life?

It's made her stronger. It's made her more independent. It's made her self - image of herself ten times better than what it was.

What you you tell other people about working with MERIL?

If they're looking for work, they can be chosen by the person they're needing help with so, it kinda works two ways. It can be real beneficial that way. An Excellent organization to get involved with. They take pride in their clients and they do everything they can to help them. This is a great opportunity to step up and give assistance.

If you or someone you know can use these services call MERIL at 1-800-MERIL, the number 4 and the letter U. Midland Empire Resources for Independent Living—MERIL—Working toward a barrier free Northwest Missouri for over 22 years!
