

In-Home Services

Professional care in your home

We know that people are happier and healthier when they are able to receive the care they need in their own homes. Our licensed nurses and trained caregivers take that responsibility seriously, and we strive to provide our participants with exceptional services so they can live comfortably and independently in their homes.

Licensed nurses and caregivers

MERIL's licensed nurses help with medication setups, diabetic nail care, skin monitoring, and vital sign checks. MERIL's trained personal care attendants (PCAs) assist participants with personal care tasks, such as cooking, cleaning, shopping, and bathing. We also offer free "Vial of Life" kits to help you prepare for an emergency.

Call us to get started.

Our In-Home services are available to residents of Andrew, Buchanan, and Nodaway counties. We accept referrals from the Missouri Department of Health and Senior Services (DHSS). Call us to learn more about eligibility for our In-Home services.
